SISTec-R

OBJECTIVE

To become a one-stop solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

Inauguration Centre of Excellence in IoT and Measurement Science

SISTec Gandhi Nagar and Ratibad Campuses successfully inaugurated the Centre of Excellence in IoT and Measurement Science, supported by Gaia Smart Cities.

Guest of Honor Dr. Sumit D. Chowdhury, Founder – Gaia Smart Cities, visited both the campuses to formally inaugurate the Centre of Excellence.

He also gave a Keynote Session on “IoT for a Smarter Future,” where he engaged in an interactive session with students, sharing valuable industry insights.

The day concluded with an MoU signing ceremony through which our faculty and students will be able to indulge in specialized trainings and workshops.

MoU

Career Craft Consultants India Pvt. Ltd.

We signed an MoU with Career Craft Consultants India Pvt. Ltd. This collaboration will provide comprehensive guidance to students for higher education abroad, including scholarship assistance and application guidance.

Workshop

Waterproofing and Tiling Solutions

The Department of Civil Engineering, under the UltraTech Centre of Excellence for Sustainable Construction Materials, organized a useful workshop on waterproofing and tiling solutions.

Technical Manager at UltraTech, Er. Alok Shukla, Ms. Ayushi, and Area Manager at UltraTech, Mr. Raghuveer Singh Badal, provided in-depth information on smart construction practices and sustainable materials through their session.

Celebrations

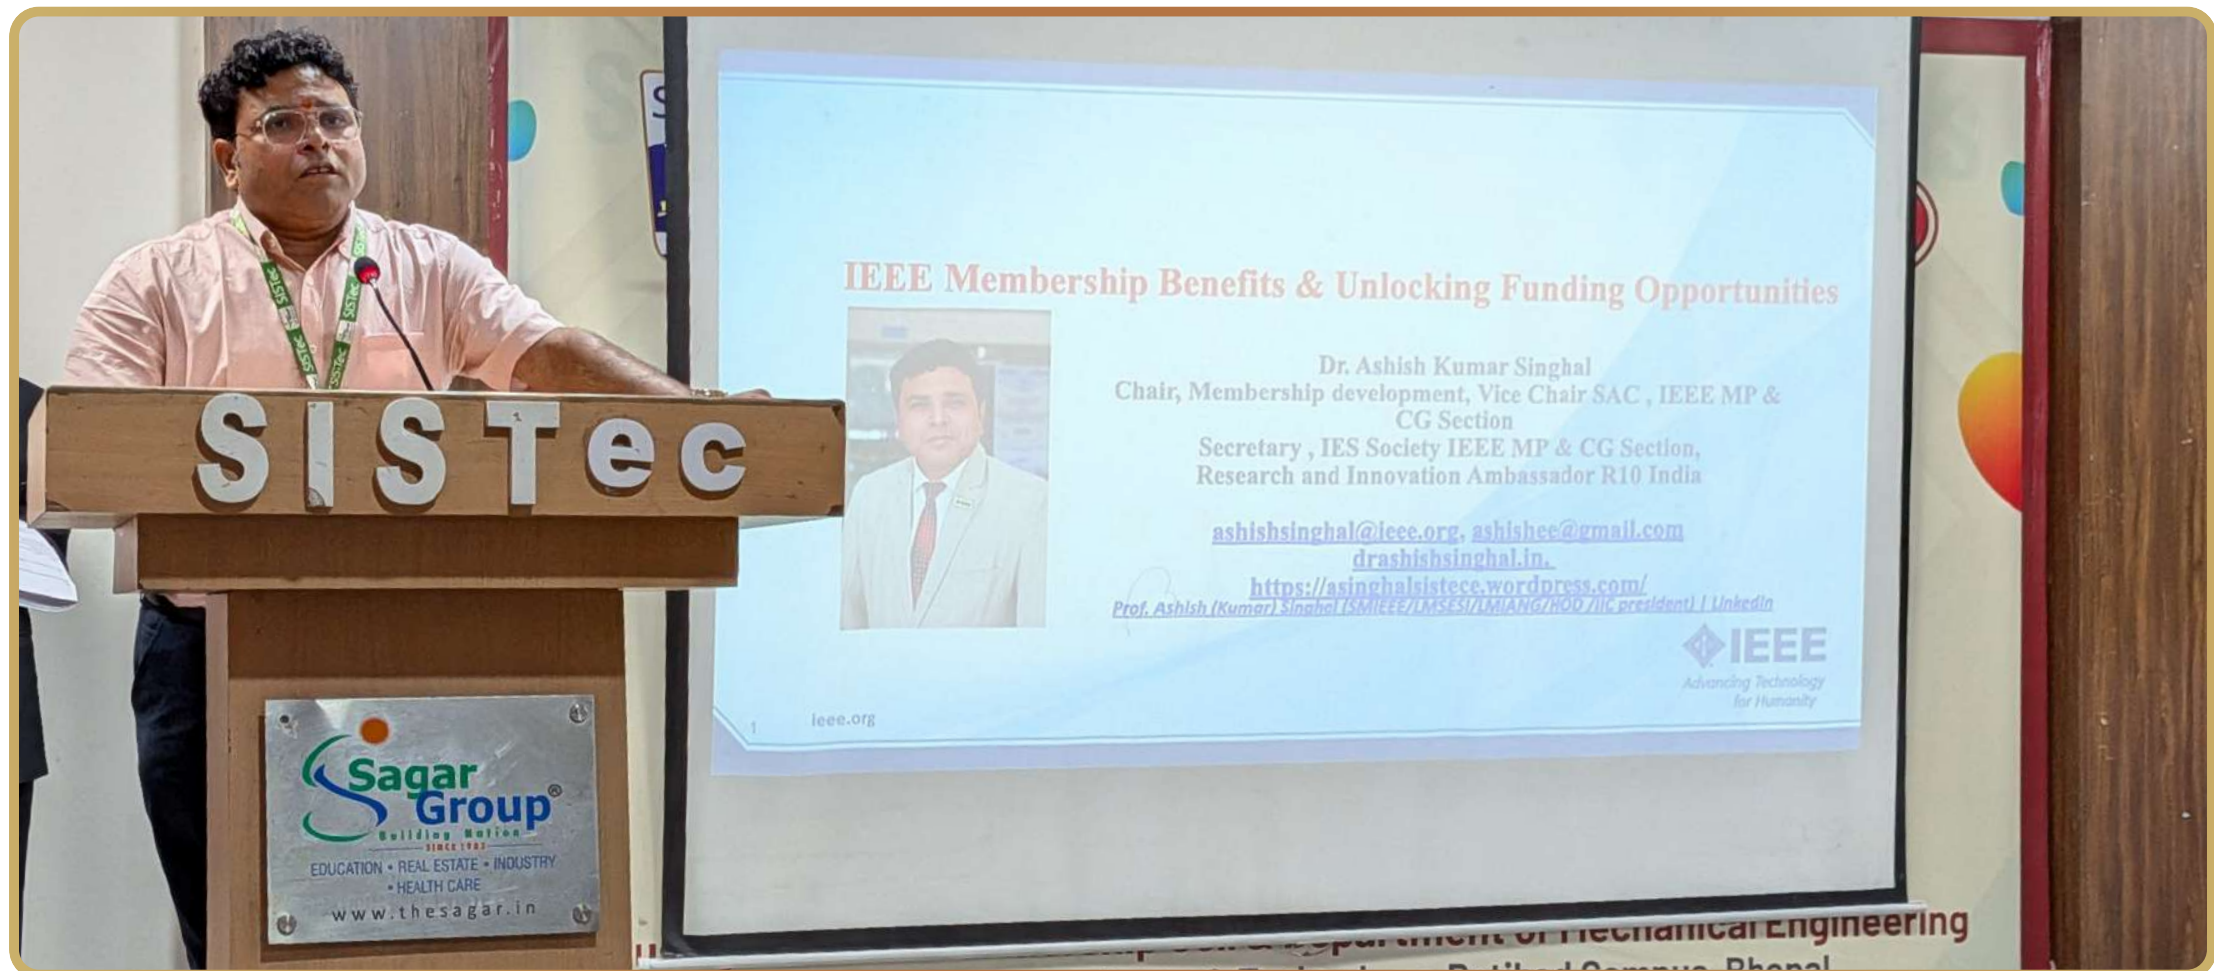

World Mental Health Day

The National Service Scheme (NSS) Unit, in association with the Isha Foundation, organized a 'Miracle of Mind Session' on the occasion of World Mental Health Day. Volunteers from the Isha Foundation conducted 40-minute guided sessions to boost focus for classes and studying, and to find calm when things become complex.

Celebrations IEEE Day

The Department of Electrical Engineering celebrated IEEE Day with an introductory session on IEEE Membership Benefits & Unlocking Funding Opportunities. The day concluded with a project exhibition and poster-making activity, and the following day, participants visited the CRISP Centre in Bhopal, further enhancing their practical learning and exposure to real-world applications.

Celebrations Diwali

We held a pre-Diwali celebration to embrace the joy of the festive season. The celebration started with lighting the ceremonial lamp in front of Maa Saraswati and Ram Darbar and concluded with a gift and sweets distribution ceremony.

SAGAR GROUP

'Sagar Group', an invariably embraced mega-conglomerate, is actively contributing towards Atma Nirbhar Madhya Pradesh, and thus, India's economic pace. We believe that the prime aim of life must be to uplift others.
