## Sagar Glory 2024

Sagar Glory 2024 marked the celebrations of Magnificent Placements in the presence of Hon'ble Deputy Chief Minister, Govt. of Madhya Pradesh Shri Rajendra Shukla Ji.

## CII MP – INSPIRE Conference

CII Madhya Pradesh, in collaboration with AMWAY, organized the "CII MP INSPIRE Conference: Women Challenging Stereotypes and Breaking Barriers" at SISTec. The event focused on celebrating and empowering women entrepreneurs, aiming to bridge the resource and support gap they face, ensuring they have the necessary tools and opportunities to thrive and reach their full potential.

## Pharmaceutical Job Fair

SIPTec group (SIPTec and SIPTec-R) organized a pharmaceutical job fair, in association with the Indian Pharmacy Graduates Association (IPGA) and seven leading pharmaceutical companies, marking a significant event for industry professionals. A notable highlight of the event was the release of the e-magazine "Gallen," dedicated to advancements and innovations in the pharmaceutical field. Additionally, the event saw the signing of a Memorandum of Understanding (MoU) between SIPTec Group and IPGA.

## Student's Achievement

Our student Mr. Kutubuddin Bohra from (2nd Sem, SISTec Department of CSE with Artificial Intelligence and Data Science), was felicitated in the morning assembly for achieving remarkable success in the district-level Boxing Championship held at Tatya Tope Stadium TT Nagar Bhopal".

## Expert Sessions

### "Impact of Urban Morphology on Microclimate of Bhopal"

On the occasion of World Environment day, the Department of Civil Engineering under the banner of IIC-SISTec organized an expert talk on "Impact of Urban Morphology on Microclimate of Bhopal". The expert speaker for the session was (Professor, Dept. of CE) Dr. Megha Jain.

### "The Role & Utilization of Specialized Software Tools in Business Analytics"

SISTec Business School Under the Proficiency Development Program has Organized a Workshop on "The Role & Utilization of Specialized Software Tools in Business Analytics". The Speaker for the Workshop was (Associate Professor & HOD Computer Science & Engineering) Dr. Amit Kumar Mishra who provided insights into various aspects of business analytics and how specialized software tools can enhance analytical capabilities.

## Expert Sessions

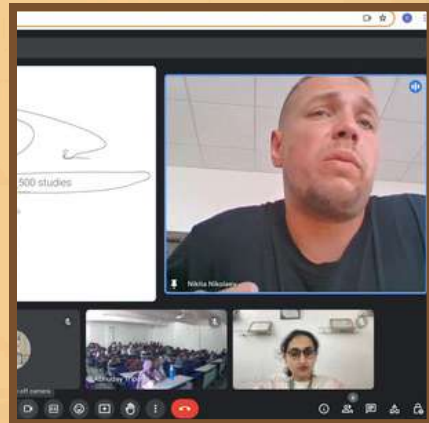

### Opportunities after Learning French as a Language

SISTec recently hosted a seminar on "Opportunities after Learning French as a Language". The Resource person for the Seminar was (Director, Alliance De Francaise) Ms. Ingrid Le Gargasson, and (Manager, Campus France) Ms. Divya Saxena.

### Advancement of Machine Learning in the Medical Field"

The Department of CSE with Artificial Intelligence and Data Science organized a webinar on "Advancement of Machine Learning in the Medical Field". The expert for the session was the Chief Operating Officer, Celsus AI (Medical Screening Systems LLC), Russia, Mr Nikita Nikolaev.

## Standard Writing Competition

The Department of Mechanical Engineering organized a "Standard Writing Competition" in collaboration with the Bureau of Indian Standards (BIS) Club. The competition aimed to provide valuable exposure to club members on various quality control practices and certification schemes offered by BIS.

## Yoga Day Celebration

SISTec celebrated International Day of Yoga with the Isha Foundation. The event brought joy and serenity as participants embraced the transformative power of yoga. Guided by Isha Yoga instructors, students and faculty immersed themselves in various yoga asanas and pranayama techniques, experiencing physical invigoration and mental rejuvenation.

## Farewell Party (Batch 2020-24)

The Department of Electronics and Communication Engineering recently hosted a Farewell Party for the students of batch 2020-24.

The event was a joyful occasion filled with laughter, memories, and heartfelt moments. Students enjoyed games, dancing, and reflecting on their time at college.

## **SISTec Bulletin 2024: Edition – VI**

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic, and placement happenings of the students and the college.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers.

This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
