Inauguration of the CoE IoT and Measurement Science, supported by Gaia Smart Cities

SISTec successfully inaugurated the Center of Excellence in IoT and Measurement Science, supported by Gaia Smart Cities. Guest of Honor Dr. Sumit D. Chowdhury, Founder – Gaia Smart Cities, visited both the campuses to formally inaugurate the Centre of Excellence.

Memorandum of Understanding with Gaia Smart Cities

SISTec signed a Memorandum of Understanding (MoU) with Gaia Smart Cities. This collaboration is designed to significantly benefit our students and faculty through specialized training and workshops, as well as the establishment of a state-of-the-art Centre of Excellence in IoT & Measurement Science.

Keynote Session by Dr. Sumit D. Chowdhury, Founder of Gaia Smart Cities

SISTec organized an inspiring Keynote Session by Dr. Sumit D. Chowdhury, Founder of Gaia Smart Cities, on “IoT for a Smarter Future”, where he discussed the importance of measurement science and engaged in an interactive session with students, sharing valuable industry insights.

Cyber Connect 2.0 – Capture The Flag

SISTec Department of CSE (Cyber Security & CS-IT) in collaboration with OWASP Bhopal organized Central India's first open Capture the Flag (CTF) Cyber Security Competition – breaking all barriers of age and qualification, and celebrating pure skill, curiosity, and passion for hacking!

Parichay 2025 – The BBA & MBA Freshers' Party

SISTec Business School organized “Parichay 2025” – The BBA & MBA Freshers' Party, marking the beginning of a remarkable journey for our new students. The celebration was filled with excitement, talent, and enthusiasm as our freshers stepped into the world of management education with confidence and dreams of success.

Eventful Wednesday : "Corporate Couture"

SISTec Business School organised Eventful Wednesday: "Corporate Couture", presented by the HR Frontliners under the Management Activity Club (MAC). It was a grand celebration of confidence, creativity, and corporate elegance through a spectacular corporate fashion show.

Health Screening Camp at SIPTec

SIPTec organized a Health Screening Camp during Pharmacovigilance Week, offering essential health check-ups, including BP, Blood Group, hemoglobin, BMI, BMR, Vital Lung Capacity, and Visual Acuity.

IETE Student Forum (ISF)

A New Chapter Begins with IETE Student Forum (ISF) at SISTec. The Department of Electronics & Communication Engineering successfully hosted the Inaugural Ceremony of the IETE Student Forum (ISF), marking an inspiring beginning toward innovation and technical excellence.
