SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

Sagar Glory

Sagar Glory 2024 marked the celebrations of Magnificent Placements in the presence of Hon'ble Deputy Chief Minister, Govt. of Madhya Pradesh Shri Rajendra Shukla Ji.

Shri Shukla inaugurated Sagar Glory by Lighting the Lamp in the presence of Shri Sudhir Kumar Agrawal Chairman of Sagar Group, Mr. Siddharth Sudhir Agrawal Managing Director of Sagar Group, Dr. Jyoti Deshmukh Group Director of Sagar Group of Institutions - SISTec, Dr. D K. Rajoria Principal of SISTec Gandhi Nagar, Dr. Manish Billore Principal of SISTec Ratibad, Dr. Kuldeep Ganju Principal of SIPTec, Dr. Jitendra Bajaj Principal of SIPTec-R, Dr. Swati Saxena Vice Principal of SISTec Gandhi Nagar, Ms. Prachi Shrivastava Group Head Corporate Relations, esteemed faculties of SISTec and parents of children.

Shri Rajendra Shukla handed over the placement certificates to the students of SISTec who will be joining their companies in a short period. Motivating the students Shri Shukla said, "Students must have composure and patience and express themselves with confidence. Students should continue with hard work and break the shell of their comfort zone."

NPTEL Achievers' Felicitation Program

NPTEL Achievers were felicitated by Chief Guest Dr. Roopam Gupta, Vice Chancellor at Rajiv Gandhi Proudyogiki Vishwavidyalaya, the State Technical University. The event was organized to honor the talented students who have excelled in various certificate courses offered by NPTEL (National Program on Technology Enhanced Learning), established by the Ministry of Education, Government of India.

Dr. Gupta commended the top thirty-one students from SISTec Ratibad, out of a total of three hundred certified students, for their outstanding achievements. She emphasized the importance of preparing for the "Phygital Age", where a blend of physical and digital mediums is essential for success. Dr. Gupta congratulated the students and their mentor, Prof. Dhiraj Singh, and wished them a prosperous future.

Pharma Job Fair

SISTec & SISTec-R in association with the Indian Pharmacy Graduates Association organized a pharmaceutical job fair with seven leading pharmaceutical companies, marking a significant event for industry professionals. Companies such as Virbac, Apollo Pharmacy, Bharat Distributor, Mediex, VTech Solution, Anamay Biotech, and Geldex Pharma participated, offering numerous career opportunities to aspiring pharmacists.

Challenges for Future Engineers in Addressing Climate Change Impacts and Building Resilience

The Department of Electronics & Communication Engineering hosted an International Expert Session on "Challenges for Future Engineers in Addressing Climate Change Impacts and Building Resilience" with expert speaker Dr. Suresh Kumar Vishwakarma (P.Eng., C.Eng., MIET, MIE, MBA, Ph.D., Postdoc, Senior Engineer at BC Hydro, Vancouver, Canada).

Dr. Vishwakarma stressed the importance of resilience in minimizing disruptions, reducing losses, and enabling quick recovery. Key concepts such as robustness, redundancy, and adaptability in building resilience were discussed in detail.

The session concluded with a discussion on climate change, the United Nations Sustainable Development Goals (SDGs), and actionable steps to address climate challenges. An engaging Q&A session followed, allowing students to delve deeper into the topic.

World Environment Day

World Environment Day was celebrated with an insightful and inspiring webinar on "Evolution of Atmosphere, Air Pollution, and its Measurement Techniques" featuring Dr. Sandeep Kumar Chaudhary, a Postdoctoral Research Scientist at Michigan Technological University USA. This event was organized in collaboration with ISTE (Indian Society for Technical Education) & IEI (Institution of Engineers India).

A significant highlight of the celebration was the active participation of students in a tree plantation drive. This hands-on activity reinforced the importance of environmental conservation and fostered a sense of responsibility among the students.

International Day of Yoga

International Day of Yoga was celebrated in collaboration with the Isha Foundation. The event was a resounding success, bringing joy and serenity to all participants as they experienced the powerful benefits of yoga. The students and faculties engaged in various yoga asanas and pranayama techniques, under the guidance of Isha Yoga instructors, reaping the rewards of physical invigoration and mental rejuvenation.

The event's impact was profound, fostering a campus culture of wellness and mindfulness. Participants left feeling grateful for the opportunity and inspired to incorporate the practice of yoga into their daily lives, beyond just Yoga Day.

Saur Urja Diwas

The Department of Electrical Engineering celebrated Saur Urja Diwas under the banner of SESI (Solar Energy Society of India) promoting solar energy on the longest day of the year. Distinguished guests included Dr. Syed Ali - Director General of SESI, Mr. Prafull Pathak - President of SESI, and Prof. (Dr.) B.K. Panigrahi from IIT Delhi.

The event featured speeches on solar energy, a student poster presentation, and startup ideas judged by industry professionals. With nearly 50 students participating nationwide, the event highlighted the potential of solar energy for sustainable development.
