- 7. Faculty Achievements**
- 8. SISTec Rockstars**

Sagar Prerna

Sagar Group organized Sagar Prerna, an exclusive inspirational session for the staff across all ventures of the Sagar Group, featuring the renowned monk and motivational speaker — Gaur Gopal Das — a man who has transformed the way millions think, feel, and live.

The session centered around a deeply powerful topic — "Decoding Life's Secret" — where Gaur Gopal Das reminded us of a truth we often forget in the race of life: No rivalry. No comparison. Just one goal — becoming the best version of yourself, one day at a time.

Industry Expert Talk by Ms. Divya Mowar

SISTec had the privilege of hosting Ms. Divya Mowar, GSL Analytics and Data at Google, for an inspiring interaction with students and faculty members. Drawing from her experience at Google, NetApp, Nike, and Rubrik, she shared valuable insights on Robotic Process Automation, digital transformation, data-driven decision-making, and leadership in the AI era.

Workshop on "Generative AI and Agentic AI"

The Department of CSE – Artificial Intelligence and Data Science conducted a one-week workshop titled "Generative AI and Agentic AI".

Led by Mr. Irfan Khan, Corporate Trainer, the workshop provided students with hands-on exposure to Generative AI, Agentic AI, prompt engineering, and intelligent AI workflows through interactive sessions and practical applications.

SAFARANAMA 2026

Some goodbyes become lifelong memories.

With hearts full of gratitude and memories to cherish forever, SISTec Business School celebrated SAFARANAMA 2026, a heartfelt farewell for the MBA Batch.

The celebration began with the Saraswati Vandana and Lamp Lighting Ceremony, followed by inspiring words from Dr. Neha Jain (Associate Professor & HOD). The day came alive with mesmerizing dance, music, poetry, fun-filled performances, and a nostalgic video capturing the unforgettable two-year MBA journey.

Student Immersion Program on Salesforce

SISTec organized a Student Immersion Program on Salesforce for the 2027 and 2028 batches at both Gandhi Nagar and Ratibad campuses to acclimatize them to the innovation and successful careers across the globe with Salesforce.

Blood Donation Camp

On the occasion of National Doctors' Day, SISTec organized a Blood Donation Camp in collaboration with Kamla Nehru Hospital, Bhopal, under the banner of the National Service Scheme (NSS).

Students, faculty, and staff came together with a shared purpose—to donate blood and help save lives. Every contribution reflected the spirit of compassion, responsibility, and community service.

Faculty Achievements

Congratulations to Dr. Akanksha Jain, Associate Professor, Department of Electrical & Electronics Engineering, on securing three prestigious patents that reflect her commitment to innovation, ethical AI, cybersecurity, and advanced research in higher education.

Faculty Felicitation – NPTEL Certification

SISTec proudly congratulates its faculty members on successfully earning NPTEL Certifications, reflecting their commitment to continuous learning, academic excellence, and professional development.

By embracing advanced learning opportunities through NPTEL, our faculty continue to enhance their expertise, strengthen their teaching practices, and stay aligned with the latest industry and academic advancements.

SISTec Rockstars

Ravi Kant Shukla
Mechanical Engineering
Batch 2010-14
Assistant Manager in Supply Chain
Management
JSW Steel Limited

At SISTec, I've gained knowledge and developed problem-solving skills. Currently, I'm working on Supply Chain Management in JSW Steel Limited Vijayanagar Works Bellary Karnataka World's 2nd largest integrated steel plant, applying theoretical concepts to real-world problems. I'm excited to showcase my learnings on Glory Day!

Prahlad Bairagi
Computer Science & Engineering
Batch 2011-15
Technical Consultant
Microsoft

Studying at SISTec has been a transformative experience for me, both academically and personally. The institute provided a strong foundation in core technical subjects while encouraging innovation. Through various workshops, seminars, and hands-on lab sessions and annual fest where I won multiple debugging prizes. Overall, SISTec nurtured my passion for technology and prepared me for real-world challenges.
