SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

Sagar Euphoria 2024

The two-day annual techno-cultural fest “Sagar Euphoria” kicked off with great enthusiasm. This year the event was based on the theme “United Nations' Global Goals for Sustainable Development”.

Sagar Euphoria 2024

The highlight of the program was the “SISTec Tejomay Samman” which was given to the leading institutions and personalities who have contributed by setting an example in sustainable development through their respective fields of work.

Sagar Euphoria 2024

Academic Excellence Awards were conferred upon students with Highest Attendance, Branch Toppers, and Semester Toppers in the academic year 2023-24. GATE 2024 Qualified students and mentor Mr. Dhiraj Singh (Asst. Prof. in Dept. of Mechanical Engineering) were also felicitated on the occasion of Sagar Euphoria 2024.

Sagar Euphoria 2024

The two days continued with various technical and cultural events like Robo Race, Robo War, Debate Competition, Drama, Face Painting, Student of the Year, Chitran (Poster Making), Darshika (Tech Rangoli), Photography, Cinematography, Junkyard (Best out of Waste), Fish Tank, Online Gaming, Ramp Walk, Nrityanjali and many more which engrossed students.

National Startup Meet & ISTE Student Annual Convention M.P. Section

The Industry Institute Partnership Cell and the Institutions Innovation Council hosted a National Startup Meet & ISTE Student Annual Convention in M.P. to encourage entrepreneurship and innovation in engineering students. Renowned figures from the startup ecosystem shared their experiences with the participants, including discussions on promoting technical education and innovation, opportunities in the startup ecosystem, and personal journeys in the electronics industry. The event highlighted the importance of motivation in pursuing internships and entrepreneurial endeavors, providing valuable guidance and inspiration to students venturing into entrepreneurship.

AIR 12 at GKDC

Team 'Sagar Seals' was felicitated in the morning assembly for achieving AIR 12 during the 11th Season of the national level 'Go-Kart Design Challenge' organized by ISNEE Motorsports, in Coimbatore, Tamil Nadu.

A total of 67 teams participated in this event, including 7 IITs and 12 NITs to design, fabricate, test, and demonstrate a prototype kart for the non-professional, weekend, competition market.

A distinguished contribution worth ₹ 15,000/- was also made to the team by Director Dr. Jyoti Deshmukh and Principal Dr. Manish Billore.

National Employability Award 2024

Sagar Group of Institutions - SISTec is honored with the prestigious National Employability Award 2024. This esteemed accolade was presented by Mr. Jasmeet Singh Sethi, AVP - Campus Solutions at SHL. SISTec has been recognized as one of the top 10% of Engineering Colleges in Madhya Pradesh by SHL - AMCAT. This achievement is a testament to our commitment to providing high-quality education and preparing our students for successful careers in the field of engineering.

Congratulations!

Sagar Group of Institutions - SISTec, Madhya Pradesh for winning the National Employability Award 2024.

SHL.

UltraTech Centre of Excellence in Sustainable Construction Materials

The UltraTech Centre of Excellence in Sustainable Construction Materials was inaugurated with the presence of Er. Rahul Goel, Zonal Head & Vice President of UltraTech Cement. This partnership between SISTec Ratibad and UltraTech Cement focuses on promoting innovation and knowledge exchange in sustainable construction materials. A Memorandum of Understanding has been signed between Ultratech Cement and SISTec Ratibad, marking a significant milestone in their journey towards eco-friendly building materials and groundbreaking research and development in the field.

Motivational Session by Eminent Personalities from Govt. of Madhya Pradesh

We had the honor of hosting two distinguished individuals from the Govt. of Madhya Pradesh, Mr. Rahul Singh (State Information Commissioner) and Mr. Santosh Patel (Deputy Superintendent of Police) for an inspiring Motivational Session.

Mr. Rahul Singh is the first Information Commissioner to introduce an online redressal mechanism through platforms such as Twitter and WhatsApp.

Mr. Santosh Patel is a highly respected figure, achieving the 22nd Rank in the MPPSC Examination in 2016. He is widely recognized as a motivational speaker, boasting a substantial following of over 1.5 million subscribers on YouTube.

MoU with Power Distribution Training Centre

The Department of Electrical Engineering has established a Memorandum of Understanding with the Power Distribution Training Centre in Bhopal. The collaboration aims to offer industrial training opportunities, organize industrial visits, and host guest lectures to enhance the educational experience for students. This partnership will provide valuable hands-on learning experiences and industry insights for students.

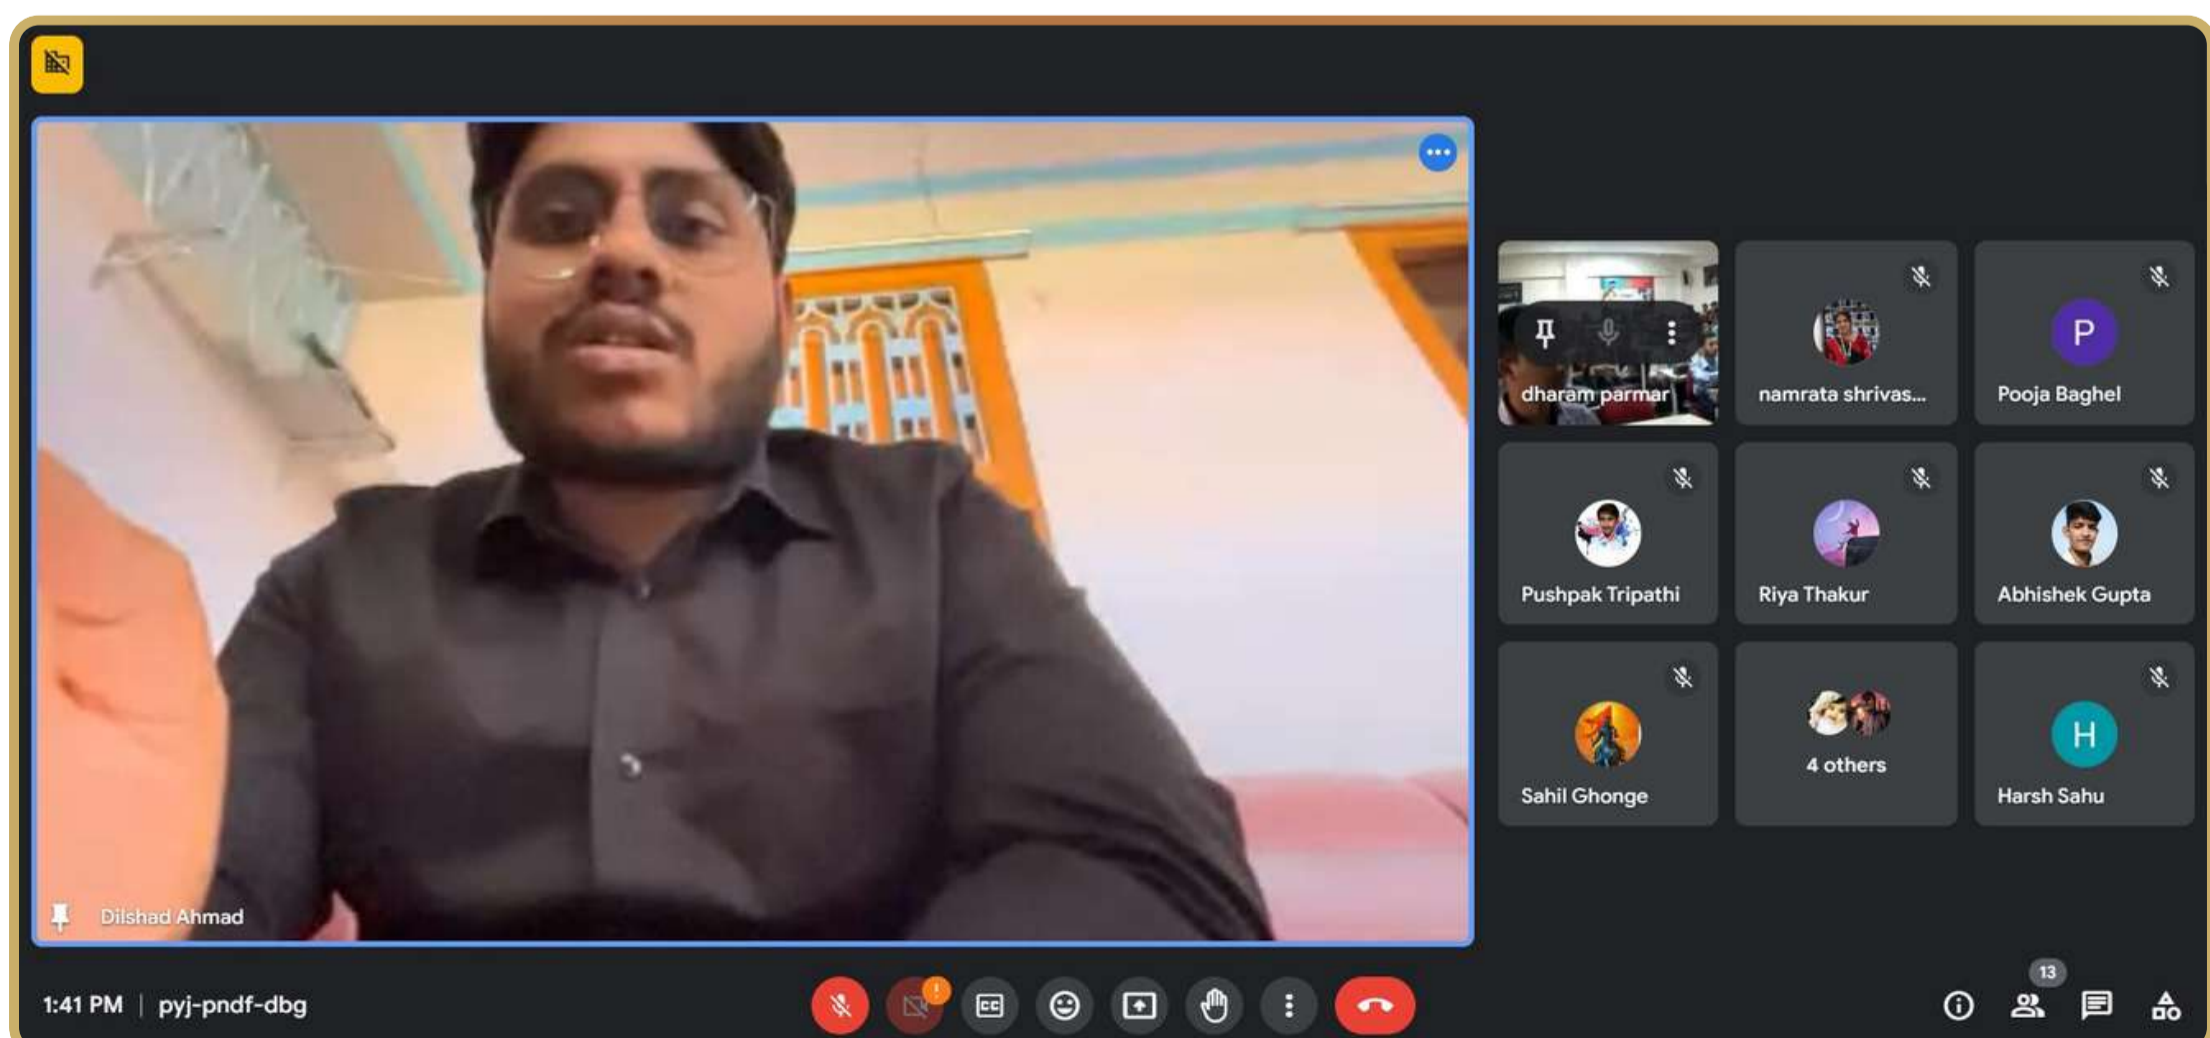

Farmer's Tractor Training Program

The Farmers Tractor Training Program, organized by the Eicher Centre of Excellence in Farm Machinery and the Department of Mechanical Engineering, aimed to educate nearby village farmers on optimizing tractor performance and effective operation techniques. The program covered topics like maintenance, fuel efficiency, and troubleshooting, with practical demonstrations to provide hands-on experience for the farmers to better understand the concepts discussed.

Alumni Talk on Full Stack Development

The Department of Computer Science & Engineering hosted an Alumni Talk on Full Stack Development for 6th-semester students, featuring Mr. Dilshad Ahmad from Cloud Analogy Ltd. Mr. Dilshad provided an overview of the industry's skill set requirements, shared personal experiences, and offered guidance on job placements and career pathways. The session was interactive, with students actively engaging and receiving a detailed roadmap for success in Full Stack Development.

Educational Visit to NITTTR Bhopal

The Department of Civil Engineering organized a visit to NITTTR Bhopal for students to learn non-destructive testing (NDT) methodologies using advanced instruments like the Rebound Hammer, UPV Test, and CAPO Test. Faculties and lab staff guided students in conducting experiments to assess the quality and strength of hardened concrete. The visit provided practical knowledge and exposure to cutting-edge techniques in NDT, enhancing students' skills for future endeavors in civil engineering.

National Science Day

National Science Day was celebrated with Poster-Making and Quiz Competitions, drawing enthusiastic participation from students of all years. The Quiz Competition saw Rishiraj from the Dept. of Artificial Intelligence and Machine Learning win 2nd Prize, with Kanchan Solanki from the Dept. of Computer Science & Engineering taking 1st Prize. In the Poster-Making Competition, Sanskar Namdev from the Dept. of CSE-Internet of Things secured 2nd Prize, while Pawan Barman from Computer Science & Engineering was awarded 1st Prize.

International Women's Day

International Women's Day was celebrated with great excitement on campus. The day started with a video highlighting the female support staff and faculty members, followed by dance performances by students. Activities like Truths & Lies and Balloon Dancing were played to keep the energy high. The launch of the Parivartan program provided basic stationery items to female staff, with students pledging to teach them new skills throughout the year. It was a fantastic day celebrating the amazing women in our community, filled with laughter and dancing.

Holi

'Sagar Group', an invariably embraced mega-conglomerate is accurately contributing towards Atma Nirbhar Madhya Pradesh's, and thus India's, economic pace. We believe that the prime aim of life must be uplifting others.
