SISTec-E

SISTec-R

OBJECTIVE

To become a One-stop Solution for students in order to build their successful career.

VISION

To become an institution of excellence in Science & Technology, by imparting world-class quality education and relevant training; producing skilled, competent & innovative workforce having social and ethical concern towards nation building.

MISSION

- To establish a student-centric academic ecosystem enabling them to acquire & retain domain knowledge, develop lifelong learning attitude and maintain professional ethics.
- To induce career-oriented, industry-relevant skills in students, by means of appropriate & updated training modules for their overall grooming.
- To provide state of art facilities and infrastructure to facilitate seamless dissemination of technical knowledge and spirit of innovation among students.
- To foster collaborative development through industrial tie-ups and research, so that the students can serve the society.
- To enable continuous development of teachers, thereby ensuring updated knowledge transmission to our students.

Achievement at Shodh Shikhar 2024

The students of Department of Mechanical Engineering were felicitated for their achievement at the international project exhibition, Shodh Shikhar 2024 held at RNTU, Bhopal. They presented an Automatic & Manual IoT Based Vehicle Lifting Arrangement Project, impressing the jury and earning the second runner-up position. Their achievement was recognized with a trophy and participation certificates.

Achievement at ANALYTICA 4.0

The students of Department of Computer Science & Engineering were felicitated for their achievement at the national-level analytics case study competition ANALYTICA 4.0 held at Jagran Lakecity University Bhopal. The students showcased their exceptional analytical skills and strategic thinking, ultimately earning the 2nd runner-up position for their outstanding performance.

Bosch BRIDGE Training Felicitation

Bosch India Foundation and Industry & Institute Partnership Cell jointly conducted a 3-month Bosch Training under the B.R.I.D.G.E. Program. The training program was headed by Mr. Anish Saxena, Corporate Trainer at SISTec Ratibad with a comprehensive syllabus provided by Bosch India. All the registered students that have excelled in the assessment conducted by Bosch India received their training certificates.

Partnership with CII Yi

SISTec proudly joins hands as partners with CII Yi, an esteemed organization with student members hailing from all corners of India. We have established a student council with the task of representing our college in key areas such as Health, Climate Change, Road Safety, Sports, and Entrepreneurship. Our goal is to provide innovative solutions to everyday challenges from a student perspective.

Training Session on The Importance of Waterproofing in Construction and Existing Buildings

The Department of Civil Engineering hosted a Training Session on The Importance of Waterproofing in Construction and Existing Buildings under the SISTec-UltraTech Centre of Excellence in Sustainable Construction Material.

The session was led by Mr. Vijay Singh, Technical Manager of the Building Product Division at Ultratech Noida. He provided valuable insights into the various defects in buildings that highlight the necessity of waterproofing. He also discussed the five key stages of building construction where waterproofing plays a crucial role. Following this, the technical team from UltraTech led a hands-on practice session to demonstrate the application of waterproofing techniques.

Expert Session on Health and Practical Problems of Females

We hosted an expert session on "Health and Practical Problems of Females" in collaboration with Sagar Multispeciality Hospital. The session featured Dr. Sapna Bajaj Jain, the esteemed Director of Obstetrics and Gynecology Services at SMH Bhopal.

Dr. Jain shared valuable insights and expertise with the female faculties and students, providing a deeper understanding of female health concerns. She emphasized the unique physical and emotional changes that females experience and how these changes should be dealt with. She also provided valuable insights on how women can maintain a healthy lifestyle amidst their daily routines.

'Sagar Group', an invariably embraced mega-conglomerate is accurately contributing towards Atma Nirbhar Madhya Pradesh's, and thus India's, economic pace. We believe that the prime aim of life must be uplifting others.
