Leading Institution for Quality Placements Award

SISTec has been honored with the award for Leading Institution for Quality Placements. The announcement was made during the News18 MP-CG 'Sushiksha Madhya Pradesh' segment.

The award was presented by Deputy Chief Minister of Madhya Pradesh, Shri Rajendra Shukla, to Managing Director of the Sagar Group, Mr. Siddharth Sudhir Agrawal, at Courtyard by Marriott, Bhopal.

During the event, Director Dr. Jyoti Deshmukh participated in a panel discussion on the training and placement initiatives of SISTec.

Workshop Waterproofing and Tiling Solution

The Department of Civil Engineering, in collaboration with UltraTech's Centre of Excellence for Sustainable Construction Materials, organised a workshop on 'Waterproofing & Tiling Solutions'.

This initiative aimed to provide industry professionals with hands-on knowledge and practical insights into the latest techniques and best practices in waterproofing and tiling.

Felicitations

Mr. Shivam Malviya from the Department of CSE with Artificial Intelligence & Machine Learning represented our college at the prestigious AMD Hackathon 2025, held at the Indian Institute of Science (IISc), Bangalore. He secured a place in the Top 200, showcasing brilliance, dedication, and technical excellence on a national platform.

Felicitations

The Department of Electronics and Communication Engineering felicitated its students and faculty for completing various NPTEL (National Programme on Technology-Enhanced Learning) Courses.

The Department of Electrical Engineering recently hosted a successful Certificate Distribution Ceremony for a Robotics Workshop, organized under the IEEE Student Branch. This marked a significant milestone as it was entirely conducted by students, for students, highlighting incredible peer-to-peer learning and leadership.

Campus Drive for Group Bayport

We hosted the Campus Drive by Group Bayport for B.Tech – Mechanical Engineering (Batch 2026) students, to onboard fresh talent for the role of SolidWorks Executive.

The recruitment process was coordinated by the Training and Placement Office (TPO) in collaboration with the recruitment team from Sonic Biochem. The recruiters welcomed the participants and shared key insights about the company, the selection process, and the job role.

Internship Drive for Sonic Biochem

We hosted the Internship Drive by Sonic Biochem for B.Tech – Mechanical/Electrical & Electronics/Electrical Engineering (Batch 2026) students, to onboard fresh talent for the role of Trainee Engineer.

The recruitment process was coordinated by the Training and Placement Office (TPO) in collaboration with the recruitment team from Sonic Biochem. The recruiters welcomed the participants and shared key insights about the company, the selection process, and the job role.
